

Make: NEW WAY ELECTRONICS
Model: NWE-POS-WD

**NEW DESIGN
OF ALL-IN-ONE**

ABS plastic metallic matte
paint. Aluminum die-casting
for rapid heat conduction

CPU PROCESSOR

Celeron J6412(TDP10W)
Intel supreme graphics card

**ULTRA HIGH
CONFIGURATION**

DDR4 8G Memory
128G SSD

**HIGH DEFINITION
CAMERA**

Rapid identification
Improve operational efficiency

**TOUCH SCREEN
DISPLAY**

More natural color
More sensitive operation

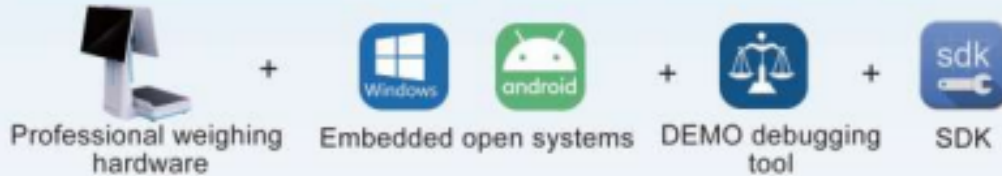

**TPRactical NEW TYPE
WEIGHING PAN**

The 2cm high guardrail
makes weighing unaffected.

An open and flexible operation system perfectly matched with interface. It can be used by third-party software and system vendors for quick software integration or development.

Windows

Android

Max capacity: 6/15kg;15/30kg

Division : 2/5g; 5/10g

Intel Elkhart Lake 11 with embedded system 10nm processor

Intel Celeron J6412 4 cores and 4 threads 2Ghz

DDR4 8G

128G SSD/256G SSD

USB2.0*4 , USB3.0*2, RJ45 ethernet port
RJ11 cash drawer port,3.5 MM headphone Jack

Support wifi and 6 protocols

Main screen: 15.6inch capacitive multi-point touch resolution 1366x768 1920x1080(optional)
Secondary screen: 15.6 inch high definition display screen resolution 1366x768 1920x1080(optional)

58mm thermal receipt printer ,80mm thermal receipt printer(optional)

4Ω3W*1

Input : AC200-240V Output :DC12V/5A

200W Pixel

Android11 RK3568 mainboard

Rockchip Cortex-A55 4 Cores processor

2G

32G

USB2.0*3, USB3.0*1, RJ45 Ethernet port
RJ11 cash drawer port

Built-in 2.4G frequency band Wifi
